We are seeking donations for the bucket drawings. Donations for bucket drawings should be dropped off at the Coleman or Pound village offices during normal business hours before February 16<sup>th</sup>. This gives us time to prepare the bucket raffle, giving each business, proper recognition of the donation, along with enabling even the early attendees to put tickets in all the buckets. If you cannot drop it off, please call Coleman Floral at 920-897-3331 and we can pick it up.
