DISCUSSION

Reviewed the Gun Raffle winners. Went over the profits of the raffle.

Talked about contacting Miss Lahners at the Coleman High School who is the advisor to the FBLA students to see how we could help their program out.

We could draft a formal letter or invite her to one of our next meetings.

We discussed our upcoming event ideas : Meat Raffle, and a Dinner, Networking banquet.

With the banquet to be scheduled for the 3rd Monday of February 2026

We will need to decide where and which business has the availability to accommodate the events that are members.

We did suggest The Woodshed , or The Steel Mill as they are members that have not hosted such event yet.

Officers voted as follows:

President- Steven Wendt

Vice President- Mike Drees

Treasurer – Vern Christopherson

Secretary- Shanon Knope

These updates will need to be posted to Facebook and Website.
